Locked Bag 13  
GLEBE NSW 2037

Our ref: H17/39078-4

Dear Dr Sara *Tony*

**Revised NSW Health security related policies - for comment.**

Following the 2016 ED Security Audit, the Ministry committed to updating selected NSW Health security related policies, to ensure they continued to support the work being done across NSW Health facilities to effectively address risks associated with aggression and violence.

As an overview, I have attached a table which sets out the key changes proposed for each of the identified documents requiring review. I have also attached a consolidated version of the revised documents that includes the changes highlighted (using tracked changes), and a consolidated version that does not display the tracking (for easier reading).

**Action required**

You are invited to provide feedback on the amendments made to the attached draft document prior to finalisation. Your feedback must be captured in the attached comments template and forwarded to Michelle O'Heffernan, Principal Policy Advisor Workplace Relations (email: [mohef@doh.health.nsw.gov.au](mailto:mohef@doh.health.nsw.gov.au)). All comments are required by **Wednesday 26 July 2017**.

I look forward to receiving your feedback. If you have any questions, please contact Michelle O'Heffernan on (02) 9424 5881

Yours sincerely

Karen Crawshaw PSM  
**Deputy Secretary**  
**Governance Workforce and Corporate**
